Closer to my dreams
Getting over, I'm gettin' higher
Closer to my dreams
I'm getting higher and higher

Feel it in my sleep
Some times it feels like I'll never go pass again
Some times it feels like I'm stuck forever and ever
When I'm going higher

Closer to my dreams
I'm goin' higher and higher
I ain't gonna sleep
Some times you just have to let it go (Let it go, let it go)
Leaving all my fears to burn down
Push them away so I can move on

Closer to my dreams
Feel it all over my being
Close your eyes and see what you believe
I'm happy as long as we're apart
Then I'm moving on to my dreams
I'll be moving higher (Moving higher)

Closer to my dreams
And higher and higher, higher
Feel it in my being (I can feel it flow around me)
I know that I could not go alone (No, no)

I'm moving higher (Higher), oh...
I'm going higher and higher and higher (Higher and higher)
Closer to my dreams (Higher and higher, oh...oh...)
I'm moving upward and onward and beyond all I can see
(Stretching out my arms so I can breathe)

Feels so close it's like strange
I can feel my dreams (Closer to my dreams)
I'm moving closer to my dreams
I'm moving (Higher and higher) higher and higher

(Higher and higher)
Moving higher, ho...
Some times it feels like you never gon' change (Never
gon' change)
But you never choose to walk away
