Jumpin' it's fine without a lifeboat
I will give it another try
You say "come back, don't go into deep"
But it's a rush to see me dot it
But you don't dare
Even though there's nothing to it and

This town's always gonna think I'm a little crazy
Somebody's always gonna try to label me insane
Funny how I always seem to be the one who's crazy
I just wanna live, I don't wanna fit
If that makes me crazy, then I am

No way I feel like nothing's goin'
My way but my future's bright
Don't have a single dollar left
Got my keys inside my car
And the highway is opening wide
You ask me where, I can't tell you
But I'm putting down the pedal tonight

This town's always gonna think I'm a little crazy
Somebody's always gonna try to label me insane
Funny how I always seem to be the one who's crazy
I just wanna live, I don't wanna fit
If that makes me crazy, then I am

You say don't change a single think
But your list is longer than my day
I can't help wondering
Whan all is said and all is done
Am I the crazy one?

I just want to live
I don't want to fit
I just want to try
I don't want to quit
If that makes me crazy, I am

This town's always gonna think I'm a little crazy
Somebody's always gonna try to label me insane

Funny how I'm always the one who's crazy
