The Last fire will rise  
Behind those eyes  
Black house will rock  
Blind boys don't lie

Immortal fear  
That voice so clear  
Through broken walls  
That scream I hear

Cry little sister  
(Thou shall not fall)  
Come, come to your brother  
(Thou shall not die)  
Unchain me sister  
(Thou shall not fear)  
Love is with your brother  
(Thou shall not kill)

Blue mascarade  
Strangers look up  
When will they learn  
This loneliness

Temptation heat  
Beats like drum  
Deep in your veins  
I will not lie~

Cry Little sister  
(Thou shall not fall)  
Come, come to your brother  
(Thou shall not die)  
Unchain me sister  
(Thou shall not fear)  
Love is with your brother  
(Thou shall not kill)

My shangrila  
I cant forget  
Why you were mine

I need you now

Cry little sister  
(Thou shall not fall)  
Come, come to your brother  
(Thou shall not die)  
Unchain me sister  
(Thou shall not fear)  
Love is with your brother  
(Thou shall not kill)

((Repeat and fade))
