Oh, not since when we met,
Our first time I will never forget.
Oh, since the things you put me through,
I'm was so sublime in love with you.
Oh, since you took my surprise,
Gonna have you, have you baby, but now I realize . . .
Well, it's no mystery,
The things you do to me, oh oh,
You won't set me free.
I go dancin', dancing with a gypsy.
I go dancin', dancing with a gypsy.

Yes, you've got that spark in your eye,
Such a lucky charm to have on my side.
Yeah, since you make your presence known,
I better be a'get away before too long.
Yeah, since you fill me with these lies,
Tell me all those lies, in you I'd have denial.
Well, it's no mystery,
The things you do to me, oh oh,
You won't set me free.
I go dancin', dancing with a gypsy.
I go dancin', dancing with a gypsy.

Well, it's no mystery,
The things you do to me, oh oh,
You won't set me free.
I go dancin', dancing with a gypsy.
I go dancin', dancing with a gypsy.

Oh, coming through the winds tonight,
Show me the mirrored reflection, make me die of
fright.
Faster, oh faster, I'm under your spell,
I finally feel I get away but only time will tell.
Yeah, except there's nowhere left to run,
Sittin' on top of the world, but I'm having fun.
Well, it's no mystery,
The things you do to me, oh oh,
You won't set me free.
I go dancin', dancing with a gypsy.

I go dancin', dancing with a gypsy.
