Have you seen my girl? She's the sparkle of the beach.
You'd know it if you would, she's a lesson she could
teach.

She shook me up, now her love is gone.
Yeah, she reeled me in then she wrote a Dear John that
said,
Ooh, you're desperate.
Girl, I'm down and out.
Blue. Why pull the run on me?
Why pull the run on, why pull the run on me?
Dangerous,
Dangerous, yeah, she's what I need now.
Dangerous, know what I'm talking about friends?
Dangerous, she's hungry!

Well, I'm stalling, know what I'm talking about?
I turned my pumper loose on her love without a doubt.
I played for keeps, I got blown away,
Gave her friend a message what I had to say,
I said,
Ooh, you're desperate.
Girl, I'm down and out.
Blue. Why pull the run on me?
Why pull the run on, why pull the run on me?
Dangerous,
Dangerous, ooh yeah, she's what I need now.
Dangerous, know what I'm talking about friends?
Dangerous, she's hungry!

Ooh, you're desperate,
Girl, I'm down and out,
Blue. Why pull the run on me?
Why pull the run on, why pull the run on me?
Dangerous,
Dangerous, yeah, she's what I need now.
Dangerous, know what I'm talking about friends.
Dangerous, she's hungry.
She's . . .
Dangerous, ooh, one in a million.
Dangerous, ooh, she's what I need now.
Dangerous, yeah, she's what I need now.

Dangerous.
Dangerous, ooh, one in a million.
Dangerous, ooh, one in a million.
