Greed!

Causing innocent blood to flow

Entire culture, lost in the overthrow

They came to seize and take whatever they please

Then all they gave back was death and disease

My people were left with no choice but to decide

To conform to a system, responsible for genocide

Responsible for genocide

Responsible for genocide...

Spoken:

'AIDS is killing the entire African nation

And a vaccine is still supposedly under preparation

But these governments they don't mind the
procrastination

They say

"We'll kill them off,

take their land

and go there for vacation."

My people's culture was strong, it was pure

And if not for that white greed

It would've endured

My people were left with no choice but to decide

To conform to a system

Their minds enslaved

Their souls encaged

I feel the rage

It's brutality can never be undone

But the sun is not yet set

The bass and drums and microphones a threat

That's when ya investigate the crimes from the inside

And see that they're responsible for genocide

Responsible for genocide

Responsible for genocide...

Ya cram ya culture down my throat

Say I'm inferior when I find that I choke

Ya fill my mind with a false sense of history

And then you wonder why I have no identity?

Well I'll strike a match and it'll catch and

Spread the insight we need
A tiny fire, burning bright
Shedding light on the darkness of greed

A yes yes y'all
And ya don't stop
Shedding light on the darkness of greed

A yes yes y'all
And ya don't stop
Shedding light on the darkness of greed
