You brought me to  
the highest mountain  
out of my deep despair  
and you don't know how  
much I need you  
to stand beside you  
to breathe your aiiiiiiiiiiiiir...

Don't Move on, don't move on,  
don't move, don't move, don't move  
Don't move on

This girl just works in Down-town New York City  
surrounded by 4 walls that aint so pretty  
Her parents give her love and affection  
to keep her strong  
moving in the right direction  
Living just enough  
just enough for the city

Living Just enough for the city  
Living just enough  
Living for the city

so I turn myself to face me  
but I've never caught a glimpse  
of how the others must see the faker  
well I'm much too fast to take that test  
ch-ch-ch-ch-changes  
turn and face the strength  
ch-ch-changes  
Just gonna have to be a different girl  
Time made change me  
But I can't chase time
