I lose my way  
No one cares  
The words i say  
No one hears  
My life it seems  
Is a world of dreams  
Deep in the night  
You'll find me  
Dream and do right  
behind me  
stay  
If you will stay  
We'll dream the night away

Dreams to dreams  
In the dark of the night  
When the world goes wrong  
I can still make it right  
I can see  
So far in my dreams  
I'll follow my dreams  
Until they come true

There is a star  
Waiting to guide us  
Shining inside us  
When we close our eyes

Come with me  
You will see what i mean  
Let the world inside  
No one else ever sees  
you will go  
so far in my dreams  
Some where in my dream  
Your dreams will come  
true

Don't let go  
If you stay close to me  
In my dreams tonight

You will see what i see  
Dreams to dreams  
As near as can be  
Inside you and me  
They always come  
True

Inside you and me  
They always come  
True
