World turns black and white, pictures in an empty room
Your love starts fallin' down, better change your tune
Yeah, you reach for a golden ring, reach for the sky
Baby just spread your wings, and get...

Higher and higher, straight up we'll climb
We'll get higher and higher, leave it all behind

Run, run, run away like a train runnin' of the track
Got the truth bein' left behind, fall between the cracks
Standin' on broken dreams, never losing sight
Ah! Well, just spread your wings. We'll get...

Higher and higher, straight up we'll climb
We'll get higher and higher, leave it all behind

So baby, dry your eyes
Save all the tears you've cried
Oh, that's what dreams are made of
'Cause we belong in a world that must be strong
Whoa, that's what dreams are made of

Yeah, we'll get...

Higher and higher, straight up we'll climb
Higher and higher, leave it all behind
Oh, we'll get higher and higher, who knows what we'll
find

So baby, dry your eyes
Save all the tears you've cried
Oh, that's what dreams are made of
'Cause we belong in a world that must be strong
Whoa, that's what dreams are made of

And in the end of dreams we will depend
'Cause that's what love is made of.
