Strapped down and heavy
Tied up and bound
This weight I carry
This weight I've found
So let me be the one to say
I've really had enough

Downfallen on (or maybe down, falling?)
(Yes, you meant the world to me)
My sweet love
So headstrong
Strong

Watch me fall

One time too many
You let me down
Won't think what could be
Can't feel much now

Downfallen on
(Yes you meant the world to me)
My sweet love
So headstrong
(Are you?)-this is whispered and hard to pick up
Strong

Watch me
Change this world inside of you
Change this world inside of you

Does it really mean that much to you?
To hide your fear, to test the way I feel?
To test the way I feel
To test the way I feel
To test the way I feel

Watch me crawl
Watch me break
Watch me crawl
Watch me throw it all away.

Downfallen on
Yes you meant the world to me
My sweet love
So headstrong
Strong

I can't believe the things you say
So wrongful how I feel this way
I'm sleeping to relieve this strain.
So calmly, slowly, softly
Just Let it all just drift away
Let it all just drift away
