high higher than the sun  
you shoot me from a gun  
i need you to elevate me here

a corner of your lips  
is the orbit of your hips  
eclipse  
you elevate my soul

i've got no self control  
been living like a mole now  
going down excavation  
higher now in the sky  
you make me feel like i can fly  
so high  
elevation

strung out like a guitar  
maybe you can educate my mind  
explain all these controls  
can't sing but i've got soul  
the goal is elevation

a mole  
digging in a hole  
digging up my soul now  
going down excavation

higher now  
in the sky  
you make me feel like i can fly  
so high  
elevation
