Met him on Sunday
Loved him by Tuesday afternoon
Woke up on Friday
Changed my whole life to make some room

Around a quarter to two
I have remembered all of my lines
I say when I think of you

Your'e like a favorite song to
That melody, that melody I love
And it goes

La da da da da da da da da da
La da da da da
La da da da da
La da da da

Hopped on the Metro
And I'm on my way home
But I can't get him out of my mind
No matter just how hard I try

And if the rumors were true
I could look forward to some

Better days and get aways
Are so nice 'cause when I am with you
You're the crescendo to that melody, that melody I love

La da da da da da da da da da

Better days and get aways
'Cause every day is a holiday with you

La da da da da..

Better days and get aways
'Cause every day is a holiday with you

Gotta let them know

Gotta know for sure
Dont leave me I'm in the cold
Gotta know for sure

La la la la..

When I think of you
Better days and get aways
'Cause every day is a holiday with you

La da da da da da da da da da

Better days and get aways
'Cause every day is a holiday with you

La da da da da..
