My face to the sky  
Dreaming about just how high  
I could go and I'll know  
When I finally get there

Taking of my glasses  
Sun pokes through my lashes  
And somehow I know  
There's a time for every star to shine

Everybody got their something  
Everybody got their something  
Make you smile like an itty bitty child

People keeping score  
Say better hurry up and get yours  
Cause somebody else get your spot  
Before you even dropped

Seek and you shall find  
Everything in my own sweet time  
I'll take my chances  
With what I believe is only mine

Busy holding on  
So the roof don't fly  
Keep you from moving on  
So get it right  
Turn the tide over  
Like a love song  
Like a butterfly  
Believe if you hand it over  
You'll come out all right

Everybody got their something  
Everybody got their something  
Make you smile like an itty bitty child

Illuminate the silly things  
Shed some light on all that's wrong  
Everybody need it sometime

Sometimes the only thing you got  
Is what makes you feel like  
You're something else altogether  
You have everything don't need  
Another reason to be something  
I've been on a ride  
And caught up in the landslide  
But I'm gonna spread my wings and fly...

Everybody got their something  
Everybody got their something  
Make you smile like an itty bitty child

There's a time for every star  
There's a time for every star...
