My gift is my song
And this one's for you
And you can tell everybody
That this is your song
It maybe quite simple
But now that it's done
Hope you don't mind
I hope you don't mind
That I put down in words
How wonderful life is now you're in the world

Sat on the roof
And I kicked off for the moss
But some of these verses well they
They got me quite cross
But the sun's been kind
While I wrote this song
It's for people like you that
Keep it turned on

So excuse me for forgetting
But these things I do
You see I've forgotten
If they're green or they're blue
Yeah well the thing is
That I really love you
Yours are the sweetest eyes I've ever seen

(Allesandro- opera)

And you can tell everybody
This is your song
It may be quite simple
But now that it's done
I hope you don't mind
I hope you don't mind that I put down in words

How wonderful life is now you're in the world
I hope you don't mind
I hope you don't mind that I put down in words
How wonderful life is now you're in the world
