do do do do do
do do do do do

we go where we like
we got overtime
we get paid to rattle our chains
we go in the back
paint our money black
spend it on the enemy

sleepin in the church
ridin in the dirt
put a banner over my grave
make your body work
make it bigger hurt
sell me somthin big and untamed

now our time
feel good time
now our time
feel good time
now our time
i said now our time
feel good time
its a realy good time
yeaahhh be our man

we know how to play
party every day
make our destinasion look plain
ridin on the road
till our powers gone
we dont even have a good name

sleepin in the church
ridin in the dirt
put a banner over my grave
make your body work
make it bigger hurt
sell me somthin big and untamed

now our time
feel good time
now our time
feel good time
now our time
i said now our time
feel good time
yeaahhh be our man

do do do do do
do do do do do
do do do do do
do do do do do
sell me somthin big and untamed

now our time
feel good time
now our time
feel good time
now our time
i said now our time
feel good time
its a realy good time

real good feel good
its the same old same
feel good real good
i dont got no brain
real good feel good
its the same old same
feel good real good
i dont got no brain

yeahhhhh be our man
