"Fever"

Never know how much I love you
Never knew how much I care
When you put your arms around me
I get a fever that's so hard to bear

You give me fever
When you kiss me
Fever when you hold me tight
Fever!
In the morning
Fever all through the night

Everybody's got the fever
That is something you all know
Fever isn't such a new thing
Fever started long, long ago

Sun lights up the daytime
Moon lights up the night
I light up when you call my name
'Cause you know I'm gonna treat you right

You give me fever
When you kiss me
Fever
If you live, you'll learn
Fever!
'Till ya sizzle
What a lovely way to burn
What a lovely way to burn
What a lovely way to burn...
