The old mans been stealin she's holdin the greevince
for hundred odd years we all keep believin that history
repeats

itself year after year.

all the fears that the future is worse

we have to give in to a hundred year curse

sweat in the sun like we're diggin a grave

dig deep enough and our fortune is saved

(chorus)

if only if only

the woodpecker sighs

the bark on the trees was as soft as

the sky is

as the wolf waits below

hungry and lonely

he cries to the moo-oo-oon

if only if only

chasin the sky our beautiful life you make mistakes and
it's my back that breaks and forever my pride steals my
life to

submission

i'm beat but there's hope beneath these feet

blisters and blood and the sun makes you blind you

don't let it eat ya it can't help but be kind cause you

know what's

important with your back to the world you can break

metal chains and your friends don't let you fall

if only if only

the woodpecker sighs

the bark on the trees was as soft as

the sky is

as the wolf waits below

hungry and lonely

he cries to the moo-oo-oon

If only if only

i'm a sun but I found myself a plant

there's no use when i'm fighten my history fightin my

history i have no place i'm a light feather there's no use
when i'm
fighten my history fighten my history I have no place
i'm more like a feather but i can't fly away when i'm
fighten myself

if only if only
the woodpecker sighs
the bark on the trees was as soft as
the sky is
as the wolf waits below
hungry and lonely
he cries to the moo-oo-oon
if only if only

(repeat chorus)
