Final Heartbreak  
Performed by Jessica Simpson

It's all about the way you're feeling  
Deep in your heart  
When she let you go  
I don't doubt you care  
Believe that  
It tears you apart  
What'cha didn't know  
Someday you'll remember  
Why you fell for her  
Why you said goodbye  
Don't let your broken heart keep forever mending  
And miss out on love that is never ending, yeah

This could be your final heartbreak  
I could show you what good love takes  
Never say goodbye  
Never make you cry  
Yeah this could be your final heartbreak

This could be your final heart  
Your final heartbreak

I don't want to take advantage  
Or maybe I do  
And I know it's true  
That I can help undo the damage  
All of the hurt  
That she did to you  
You need someone you can talk to  
Someone who feels the same  
About everything you do  
And I could be the one to make you forget her  
I wanna be the one to make you feel better, yeah!

This could be your final heartbreak  
I could show you what good love takes  
Never say goodbye  
Never make you cry

Yeah this could be your final heartbreak

I'll let you feel a love so real

I'll let you know

Oh, I gotta let you know

You will forget

She will regret

Letting you go

I will not let you go

This could be

This could be your final heartbreak

I could show you what good love takes

Never say goodbye

Never make you cry

Yeah this could be your final heartbreak
