Not a lot right now makes sense to me  
And it won't go quietly  
Not a lot right now makes sense to me  
And it won't sit patiently

I'm gonna chase my dreams and catch up to them  
I'm gonna find you some how, some way, somewhere,  
some day

First day of the rest of our lives, I miss you already  
Last time I saw that look in your eyes, I miss you  
already  
First day of the rest of our lives, I miss you already  
Last time I saw that look in your eyes, I miss you  
already

I don't want to spend the rest of my life alone  
Where's life taking me?  
I don't want to spend the rest of my life alone  
Always traveling

I'm gonna chase my dreams and catch up to them  
I'm gonna find you some how, some way, somewhere,  
some day

First day of the rest of our lives, I miss you already  
Last time I saw that look in your eyes, I miss you  
already  
First day of the rest of our lives, I miss you already  
Last time I saw that look in your eyes, I miss you  
already

I wanna love my job  
I wanna love my life  
But most of all, I wanna fall in love

First day of the rest of our lives, I miss you already  
Last time I saw that look in your eyes, I miss you  
already  
First day of the rest of our lives, I miss you already  
Last time I saw that look in your eyes, I miss you

already
