Five Minutes

Performed by Lil' Mo ft. Missy "Misdemeanor" Elliot

Yes (yes, yes)

We have just entered (entered) the year 2000 (2000)

And they've just arrived (just arrived)

Who needs to take us out of space

To another planet

Where's there only one club and one disco

And they gonna show us how they boogie

Got a strange call from a girl in the midst of the night

She said you better call your man

Cause he sleeping right here tonight

So I put on my coat and my hat

And then put on my shoes

I said bitch don't you move

Cause I'll be seeing you soon

It only took me

Chorus:

In five minutes, I was knocking at the door

In two minutes, I had her on the floor

In one minute, I was fighting wit' my man

Yes I did it and I told his tail to scam

In five minutes, I was knocking at the door

In two minutes, I had her on the floor

In one minute, I was fighting wit' my man

Yes I did it and I told his tail to scam

Saw a few scratches on my car just the other day

Neighbor around my way said she saw you driving  
away

So I put two together and I found myself ready to go

Before she even knew it I was coming down the road

It only took me

(Chorus)

Be a hoe

I'm kicking you up out the door

I hope you know  
Like Coolio you gotta go  
Don't even think  
I'm gonna let you hang around  
Got your draws down  
Looking stupid like a clown

Be a hoe  
I'm kicking you up out the door  
I hope you know  
Like Coolio you gotta go  
Don't even think  
I'm gonna let you hang around  
Got your draws down  
Looking stupid like a clown

(Chorus)

In five minutes, I was knocking at the door  
In two minutes, I had her on the floor  
In one minute, I was fighting wit' my man  
Yes I did it and I told his tail to scam  
In five minutes, I was knocking at the door  
In two minutes, I had her on the floor  
In one minute, I was fighting wit' my man  
Yes I did it and I told his tail to scam

Yes (yes)  
It's the year 2000 (2000)  
And they will be back  
To take us to outer space (outer space)  
To their planet  
Where there's only one club  
Where there's only one disco  
And you know what they wanna show us  
You know what they wanna show us  
How they boogie

Yo, yo, yo, yo  
Don't know what they told you, but  
They done told you wrong  
Better go back and tell 'em again  
And make sure you here it all  
Don't come up in my Millennium talking about  
Girl, this my song  
If you don't know how to bounce to this  
Then try to play it off  
It's just like a movie, everybody wanna see  
In the 2 G, how she dress like me  
They say "Who's she?" she's fly as can be  
Got a groupie of a hoochie

I got Gucci, mad cheese in the bank  
And my crew be straight flossing' wit' me  
Even Hootie wanna blow like me  
Heard he wanna be a Lil' Mo like me, what
