I'm over it
You see I'm falling in the vast abyss
Clouded by memories of the past
At last, I say

I hear it fading
I can't speak it
Or else you will dig my grave
you feel them finding
Always winding
Take my hand I'll
Be alive

You see I cannot be forsaken
Because I'm not the only one
We walk amongst you
Feeding, raping
Must we hide from everyone

I'm over it
Why can't we be together
Embrace it
Sleeping so long
Taking up the mask
At last, I say

I hear it fading
I can't speak it
Or else you will dig my grave
You feel them finding
Always winding
Take my hand I'll
Be alive

You see I cannot be forsaken
Because I'm not the only one
We walk amongst you
Feeding, raping
Must we hide from everyone

You see I cannot be forsaken

Because I'm not the only one
We walk amongst you
Feeding, raping
Must we hide from everyone

Everyone
Everyone
Everyone [fading out]
