(Have Some) Fun With The Funk
Performed by Aaron Carter

One, two
Yeah, yeah, yeah
Ooh, oh
Yeah, yeah, yeah

If I threw a party would you be there
Would you bring your friends too
Cause why should we stay at home
With something better to do
Let's started in the house
And move it to the street
Come on and follow me

And have some fun with the funk
Turn up the bass and pop the trunk
This party's gonna pump
B-bop and body bump
Let's have some fun with the funk
Turn up the bass and pop the trunk
This party is too short
So come on get on board
And have some fun, yeah, yeah, yeah
Some fun with the funk

We all need a permanent vacation
From the things that get us down
So just turn it up and turn it out
Cause it can never get too loud
Let's take it from the street
And move it to the beach
There's sand beneath our feet

And have some fun with the funk
Turn up the bass and pop the trunk
This party's gonna pump
B-bop and body bump
Let's have some fun with the funk
Turn up the bass and pop the trunk

This party is too short
So come on get on board
And have some fun, yeah, yeah, yeah
Some fun with the funk

There is no place I'd rather be
And it's no secret why
It would never mean as much to me
Without you by my side

One
Stop starring at the walls
Two
All you girls and boys
One, two
It's time to make some noise
One, two, three

And have some fun with the funk
Turn up the bass and pop the trunk
This party is gonna pump
B-bop and body bump
Let's have some fun with the funk
Turn up the bass and pop the trunk
This party is too short
So come on get on board

And have some fun with the funk
Turn up the bass and pop the trunk
This party is gonna pump
B-bop and body bump
Let's have some fun with the funk
Turn up the bass and pop the trunk
This party is too short
So come on get on board
Let's have some fun, yeah, yeah, yeah
Fun with the funk, yeah, yeah, yeah
Fun with the funk
