Get Happy
Performed by B*Witched

Don't be a brontosaurus (don't be a brontosaurus)
Don't you ever walk that way (don't you ever walk that way)
It's the right thing to do (it's the right thing to do)
Just doing what you do (just doing what you do)

Tell me you're tired of hanging around
And dreaming your life away
We've got the feeling of Saturday night
So come on let's here you say

Everybody gather around
Don't you know what we have found
Whoa, everybody get happy
A-B-C, count me in with 1-2-3
Whoa, everybody get happy

Pick a block of glory (so tell me what's the story)
Don't keep the bad vibes well away (keep the bad vibes well away)
What you gonna do (what you gonna do)
Kicking off with something new (kicking off with something new)

Tell me you're tired of hanging around
And dreaming your life away
We've got the feeling of Saturday night
So come on let's here you say

Everybody gather around
Don't you know what we have found
Whoa, everybody get happy
A-B-C, count me in with 1-2-3
Whoa, everybody get happy

Whoa, (alright) everybody get happy
Whoa, (alright) everybody get happy

My hero
My heir
My hero
Come on

Whoa, everybody get happy
Whoa, everybody get happy
Everybody get happy
Everybody get happy
