Get Up Offa That Thing / Dancing In The Street
Performed by Deloris & The Sisters

Oww!
Hey, we're collecting money here
That's right we're talking to you
Come on now, I need that money
Not fooling with you, come on girls
Just do what I do

Get up offa that thing
And dance till you feel better
Get up offa that thing
Just try to release the pressure
Sing, get up offa that thing (go ahead girl)
Dance till you feel better (babe)
Get up offa that thing
Try to release the pressure

Calling out around the world
Are you ready for a brand new beat
Summer's here and the time is right
For dancing in the street
We're dancing in Chicago
Down in New Orleans
In New York City
All we need is music
Sweet, sweet music
There'll be music everywhere
There'll be swinging, swaying
And records playing
We're dancing in the street

Oh it doesn't matter what you wear
Just as long as you are there
So come one
Every guy grab a girl
Everywhere around the world
There'll be dancing
We're dancing in the street
This is an invitation

Across the nation
A chance for folks to meet
There'll be swinging, swaying
And records playing
We're dancing in the street

Oh, It doesn't matter what you wear
Just as long as you are there
So come on
Every guy grab a girl
Everywhere around the world
We'll be dancing
We're dancing in the street
This is an invitation
Across the nation
A chance for folks to meet

Get up offa that thing
And dance till you feel better
Get up offa that thing
Just try to release the pressure
