Mary belongs to the words of a song.
I try to be strong for her, try not to be wrong for her.
She will not wait for me, anymore, anymore.
Why did I say all those things before? I was sure.

(She is the one), but I have a purpose,
(she is the one), and I have to fight this,
(she is the one), the villain I can knock down.

I see your face with every punch I take,
and every bone I break, it's all for you.
And my worst pains are words I cannot say,
but still I will always fight on for you.

Mary's alive in the bright New York sky,
the city lights shine for her, above them I cry for her.
Everything's small on the ground below, down below.
What if I fall, then where would I go, would she know?

(She is the one), all that I wanted,
(she is the one), and I will be haunted,
(she is the one), this gift is my curse for now.

I see your face with every punch I take,
and every bone I break, it's all for you.
And my worst pains are words I cannot say,
But Still I will always fight on for you.

(instrument solo)

I see your face with every punch I take,
and every bone I break, it's all for you.
And my worst pains are words I cannot say,
But Still I will always fight on for you.
Fight on for you ...
Fight on for you.....
