Throw your hands up if you know that you're a star
You better stand up if you know just who you are
Never give up never stay down

Girl Power!! Girl Power!!

Throw your hands up if you know that you're a star
You better stand up if you know just who you are
Never give up never come to far

Girl Power!! Girl Power!!

I've made mistakes before but I know I'm not perfect
It's okay 'cause who could ever be
As long as I give my best
It don't matter what no one says
'cause down in my heart I got the power to make it all
happen

Throw your hands up if you know that you're a star
You better stand up if you know just who you are
Never give up never stay down

Girl Power!! Girl Power!!

At times I may just feel like
Backin' through the wall
I hold my head up high
Keep on standin' tall
I know my back is covered
Because we have each other
We could do whatever
If you hear me throw your hands up

Throw your hands up if you know that you're a star
You better stand up if you know just who you are
Never give up never stay down

Girl Power!! Girl Power!!

Sometimes life may get you down
But you better hold your ground
Can't nobody live your life but you
Stay true to who you are
And always follow your heart
Your heart, your heart

Throw your hands up if you know that you're a star
You better stand up if you know just who you are
Never give up never stay down
Girl Power!! Girl Power!!
