Yeah uh yeah uh huh yeah yeah

I've been a girl with her skirt pulled high
Been the outcast never running with mascara eyes
I see the world as a candy store
With a cigarette smile saying things you can't ignore
Like mommy I love you
Daddy I hate you
Brother I need you
Lover hey **** you
I can see everything here with my third eye
Like the blue in the sky

(CHORUS)

If God is a DJ
Life is a dance floor
Love is a rythm
You are the music
If God is a DJ
Life is a dance floor
You get what you're given
It's all how you use it

I've been the girl- middle finger in the air
Unaffected by rumors, the truth: I don't care
So open your mouth and stick out your tongue
You might as well let go, you can't take back what
you've done
So find a new lifestyle
A new reason to smile
Look for Nirvana
Under the strobe lights
Sequins and sex dreams
You whisper to me
There's no reason to cry

CHORUS

You take what you get and you get what you give
I say don't run from yourself, man, that's no way to live
I've got a record in my bag you should give it a spin

Lift your hands in the air so that life can begin

If God Is a DJ... If God
If God is a DJ (life is a dance floor)
Get your ass on the dance floor

CHORUS
