I'm an ever rollin' wheel, without a destination real.  
I'm an ever spinning top, whirling around till I drop.  
Oh but what am I to do, my mind is in a whirlpool.  
Give me a little hope, one small thing to cling to.  
You got me going in circles (oh round and round I go)  
You got me going in circles  
(oh round and round I go, I'm spun out over you)  
I'm a faceless clock, with timeless hopes that never  
stop.  
Lord but I feel that way, of my soul. My soul is stay.  
Oh but what am I to do, my mind is in a whirlpool.  
Give me a little hope, one small thing to cling to.  
You got me going in circles (oh round and round I go)  
You got me going in circles  
(oh round and round I go) I'm spun out over you  
(I need you baby) over you (I need you baby) spun out  
over you.  
(I need you baby, I need you baby baby)  
I'm spun (I need you baby) I said I'm spun out over you  
(I need you baby)  
Spun out over you (I need you baby, I need you baby, I  
need you baby)
