I ain't tryin' to be rude dude
But we tryin' to tear up the place, come on

Hey Timbo (yeah)
Don't you hate it when a dude starts actin' up
Like this fella over here with his hands on the scuff
Be muggin' and carryin' on

Hey J.T. (yeah)
Why these dudes keep starin' at us
I don't know but I'm about to find out what's up
Be easy don't take it to rough
Talk to them

I'm not being cocky
I just noticed that she was lookin' at me
Chill homeboy be cool
Cause there ain't no reason for all the fussin' at me
It's just gettin' started
And there's alot of fish around here
Just shakin' their jelly
I ain't tryin' to be rude dude
But we tryin' to tear up the place, come on

Chorus:
There ain't nothing to it
If you wanna get down
Then we can do it, do it
There ain't nothing to it
Get out your seat (why)
You ain't glued to it
Be easy and watch that tone
Keep stepping with your new suede shoes on
Boys and girls let's all sing along
Now everybody just get on the good foot

Get on the good foot

Now how am I supposed to know she's yours
She ain't got no ring on her finger
It ain't our fault homeboy

That your girl likes to wonder and linger
You actin' so serious
We just danced I ain't even ask for her number
Don't be mad cause we the life of the party
We ain't really tryin' to hurt nobody, talk to them

I'm not being cocky
I just noticed that she was lookin' at me
Chill homeboy be cool
Cause there ain't no reason for all the fussin' at me
It's just gettin' started
And there's alot of fish around here
Just shakin' their jelly
I ain't tryin' to be rude dude
But we tryin' to tear up the place, come on

Now everybody just get on the good foot

(Oh no) Get on the good foot
(Oh no) Get on the good foot

If you keep on pressin' at me
(That don't bother me none)
Cause I see every fish in the sea
(I'm a get the baddest one)
You take yourself so seriously
(But you don't impress me none)

Don't be alarmed boy
We came to do no harm boy, talk to them

I'm not being cocky
I just noticed that she was lookin' at me
Chill homeboy be cool
Cause there ain't no reason for all the fussin' at me
