Thank you for this moment
I've gotta say how beautiful you are
Of all the hopes and dreams I could have prayed for
Here you are

If I could have one dance forever
I would take you by the hand
Tonight it's you and I together
I'm so glad, I'm your man

And If I lived a thousand years
You know I never could explain
The way I lost my heart to you
That day
But if destiny decided I should look the other way
Then the world would never know
The greatest story ever told
And did I tell you that I love you
Tonight?

I don't hear the music
When I'm looking in your eyes
But I feel the rhythm of your body
Close to mine
It's the way we touch, it soothes me
It's the way we'll always be
Your kiss, your pretty smile
You know I'd die for
Oh baby
You're all I need

And if I lived a thousand years
You know I never could explain
The way I lost my heart to you
That day
But if destiny decided I should look the other way
Then the world would never know
The greatest story ever told
And did I tell you that I love you,
Just how much I really need you?
Did I tell you that I love you

Tonight?
Tonight?

And if I lived a thousand years
You know I never could explain
The way I lost my heart to you
That day
But if destiny decided I should look the other way
Then the world would never know
The greatest story ever told
And did I tell you that I love you,
Just how much I really need you?
Did I tell you that I love you
Tonight?
