He Be Back
Coko ft. Missy "Misdemeanor" Elliot

I woke up this morning
My baby wasn't sleeping
I walk over to his boy's house
I told him to give me one reason
Why he ain't been home since
I told him that don't make no sense
That I've got to try and find him
Now he's got his boy lying

Chorus:
They say he be back
They say he gone to the store
He probably out driving my car
Going to pick up all his whores
And I got one thing to say
Why would you try to play on me
Cause I used to have you tame
Now you act like you're untrained

They say you're going to a party
I see you at the strip clubs
You standing looking silly
The third time that you done f***** up
Now you say that you're back on track
Like I'm supposed to believe that
That you're in hell, come finding
Now you got your boy lying

(Chorus)

I don't know what it is about you
That always makes me doubt you
It's those bad friends around you
Telling you what you should or not do
I don't know what it is about you
That always makes me doubt you
It's those bad friends around you
Telling you what you should or not do

(Chorus)

Why I gotta call your boy's crib
Why I gotta ask what you f***** did
Why I gotta sweat you like a whack groupie
See when I was a star you was claiming me
Maybe cause my records ain't selling no more
And I ain't that fly b**** that you used to headline tours
But I'm a be for sure just to even the score
Don't call Missy when your ass go poor
Check, check me one time

Mmmmâ€!

Coko
Misdemeanor here
I know all you girls know what I'm talking about
When you call your digging friends house
You know what they say
You know what they say
You know what they say

(Chorus)
