"Head Over Heels"

I wanted to be with you alone
And talk about the weather
But traditions I can trace against the child in your face
Won't escape my attention
You keep your distance with a system of touch
And gental persuasion
I'm lost in admiration could I need you this much
Oh you're wasting my time
You're just wasting time

Something happens and I'm head over heels
I never find out till I'm head over heels
Something happens and I'm head over heels
Ah don't take my time
Don't break my heart
Don't throw it away

I made a fire watching it burn
Thought of your future
With one foot in the past now just how long will it last
No no no have you no ambition
My mother and my brothers used to breathing clean air
And dreaming I'm a doctor
It's hard to be a man when there's a gun in your hand
Oh I feel so...

Something happens and I'm head over heels

And this is my four leaf clover
I'm on the line, one open mind
This is my four leaf clover
