No light fantastic ever crosses my mind  
That meditation stuff can make you go blind  
Just crank that music to the point of pain  
Why waste good music on a brain

Chorus:  
Heavy, Duty  
Heavy duty rock and roll  
Heavy duty  
Brings out the duty in my soul

I see you dancing there in front of the band  
You're playin' the solos with no guitar in your hand  
I don't pull no punches I wouldn't waste your time  
And just cause it pays, that ain't no crime

Heavy, duty  
Heavy duty rock and roll  
Heavy duty  
Brings out the duty in my soul

Don't need a woman, I won't take me no wife  
I get the rock and roll and that'll be my life  
No page in history baby- that, I don't need  
I just want to make some eardrums bleed

Heavy, duty  
Heavy duty rock and roll  
Heavy duty  
Brings out the duty in my soul
