"Hold On - Jet"

You tried so hard to be someone
That you forgot who you are
You tried to fill some emptiness
Til all you had spilled over

Now everything's so far away
That you don't know
Where you are
You are

When all that you wanted
And all that you have
Don't seem so much
For you to hold on to
For you to hold on to
For you to belong to

When it's hard to be ourselves
It's not to be someone else
Still everything's so far away
That you forget who you are
You are

When all that you wanted
And all that you have
Don't seem so much
For you to hold on to
For you to hold on to

Hold on
Hold on
Hold on
Hold on
Hold on
Hold on
Hold on
Hold on

When all that you wanted
And all that you have
Don't seem so much

For you to hold on to
For you to hold on to
For you to hold on to
For you to belong to
