I am so alike you  
In so many ways  
I know I'm just a copy  
That carries on the strain  
But, we make the same mistakes  
'Cause, we are one and the same  
We leave behind the stain  
That will never separate

All the lies in me  
All that dies in me  
How can I live without you?  
All that lies in me  
All that dies in me  
How can I live without you?

I am your mirror image  
I'm all you left behind  
You made me what I am  
But who the hell am I?  
But, we make the same mistakes  
'Cause, we are one and the same  
We leave behind the stain  
That will never separate

All the lies in me  
All that dies in me  
How can I live without you?  
All that lies in me  
All that dies in me  
How can I live without you?

We've made the same mistakes  
We are one and the same  
How can I live

Do you think of me?  
Do you dream of me?  
I always dream about you  
Do you think of me?  
Do you dream of me?

I always dream about you
