They said you wouldn't make it so far a-a
And ever since they said it it's been hard
But never mind that night you had to cry
Cause you had never let it go inside
You worked real hard and you know exactly
What you want and need so believe
And you can never give up
You can reach your goals
Just talk to your soul and say

[Chorus]

I believe I can
I believe I will
I believe I know my dreams are real
I believe I'll stand
I believe I'll dance
I believe I'll grow real soon
and that is what I do believe

Your fools are just a thing in your soul aha
And you know that your moves will let them show
You keep creating pictures in your mind
So just believe they will come true in time
It will be fine
Leave all of your cares and stress behind and
Just let it go
Let the music go inside again the pain
And just start to believe

[Chorus]

Never mind what people say
Hold your head high and turn away
With all my hopes and dreams I will believe
Even though it seems it's not for me
I won't give up, I'll keep it up
Look into the sky
I will achieve on my knees
I will always believe

[Chorus x2]
