I Could Fall In Love  
Performed by Selena

I could lose my heart tonight  
If you don't turn and walk away  
Cause the way I feel I might  
Lose control and let you stay

Cause I could take you in my arms  
And never let go

I could fall in love with you  
I could fall in love with you, baby

I could only wonder how  
Touching you would make me feel  
But if I take that chance right now  
Tomorrow will you want me still  
(Baby will you want me?)

So I should keep this to myself  
And never let you know

I could fall in love with you (I could fall in love with you)  
I could fall in love with you, baby

And I know it's not right  
And I guess I should try  
To do what I should do  
But I could fall in love  
Fall in love with you, baby  
I could fall in love with you

Siempre estoy soñando en ti  
Besando mis labios, acariciando mi piel  
Abrazandome con ansias locas  
Imaginando que me amas  
Como yo podré amar a ti

So I should keep this to myself  
And never let you know

I could fall in love with you (I could fall in love with you)  
I could fall in love with you, baby  
I could fall in love, fall in love  
I could fall in love, (fall in love) with you, baby  
I could fall, fall in love with you
