Part of where I'm going is knowing where I'm coming  
from

I don't want to be anything other than what I've been  
trying to be lately  
All I have to do is think of me and I have peace of mind  
I'm tired of looking 'round rooms wondering what I  
gotta do  
Or who I'm supposed to be  
I don't want to be anything other than me

I'm surrounded by liars everywhere I turn  
I'm surrounded by imposters everywhere I turn  
I'm surrounded by a deadly crisis everywhere I turn  
Am I the only one to notice?  
I can't be the only one who's learned

I don't want to be anything other than what I've been  
trying to be lately  
All I have to do is think about me and I have peace of  
mind  
I'm tired of looking 'round rooms wondering what I  
gotta do  
Or who I'm supposed to be  
I don't want to be anything other than me

Can I have everyone's attention please  
See, not like this and that  
You're gonna have to leave  
I came from the mountain, the crust of creation  
My whole situation made from clay, dust, stone  
And now I'm telling everybody

I don't want to be anything other than what I've been  
trying to be lately  
All I have to do is think of me and I have peace of mind  
I'm tired of looking 'round rooms wondering what I'm  
trying to do  
Or who I'm supposed to be  
I don't want to be anything other than me  
I don't want to be

I don't want to be  
I don't want to be  
I don't want to be
