Mary(Lily):

(Ooo...)

I heard someone crying  
Who tho' could it be  
Maybe it was Mother  
Calling out, come see  
Maybe it was Father  
All alone, and lost and cold  
I heard someone crying  
Maybe it was me

Archibald:

I heard someone singing  
Who tho' could it be  
Maybe it was Lily  
Calling out to me  
Maybe she's not gone  
So far away as I've been told  
I heard someone crying  
Maybe it was she

Mary(Lily):

Maybe it was someone I could  
Find and have a cup of tea  
Maybe it was someone who  
Could bring the tea and come find mee (Ooo...)

Lily:

I heard someone crying  
Tho' I can't say who  
Someone in this house  
With nothing left to do  
Sounded like a father  
Left along and lost and cold  
I heard someone crying  
Maybe it was you

Archibald and Mary:

Maybe I was dreaming of a garden growing far below  
Maybe I was dreaming of a life  
That I will never know

Mary(Lily): Archibald:

I heard someone calling Lily, where are you, I'm lost  
without you

Who tho' could it be I can't walk these halls without you

Someone in this house(Ooo...) Lily, where are you, I'm  
lost without you

Who no one seems to see(Ooo...) I have searched the  
world but you're not there

Someone no one seemed to(Ooo...) Come and tell me  
why you

Hear except for me(Ooo...) Brought me home if you're  
not here
