I Want You Back

Performed by Melanie B. ft. Missy "Misdemeanor" Elliott

I'm the M to the E, L, B you know me
I'm the M, I, S, S, Y, to the E
And I got many flows from overseas
Well how can you beep, beep with no keys
I got spice I'm tight with my flows
And all my flows been known to throw blows
Well let me hit this one before I go
Well I'm a let you go if you say so

Boy I'm sick of you
Who me? Yes, me, yeah you know I'm a fool
Ooh I'm a fool for you
Cause I keep taking you back
As though I'm stupid like that
Yeah, yeah you know we're through
But I can't say no and I never said no
I can't say no to you
Because you treat me whack
In fact I want you back

Chorus:

I think I want you back
Your love has made a deep impact
I know it might sound whack
But damn I think I want you back (want you)
I think I want you back
Your love has made a deep impact
I know it might sound whack
But damn I think I want you, want you back

Boy I'm tired of you
Running over me telling me what to do
Now what have I done to you
To make you sex a lot
I thought I made you hot
Now don't make me act a fool
I know I talk mad junk but I know what I want
What I truly want is you

And even though you're a mack, true dat
I want you back

(Chorus)

You got me losing my mind, my mind
You can't keep breaking my heart
You got me drinking liquor in the morning
And sitting all night at the bar

(Chorus)

I think I want you back
Your love has made a deep impact
I know it might sound whack
But damn I think I want you back (want you)
I think I want you back
Your love has made a deep impact
I know it might sound whack
But damn I think I want you want you back

Look right, all I've been saying is that I want you back
I want you back and I want you back
And I do
Well, I think I do
I think I did
Wait a minute just let me seriously think about it
In fact no, I don't want you back at all
You go your way, I'll go mine
I'm outta here
Ha, ha, ha, ha
See ya
