I could hear you, you were there
I could see you, you were there
I, I'm gonna wait
I, I'm gonna wait
I'm gonna wait

I just want you to know
I want you to know
All that I have is all that I forgot to say
I want you to know
I want you to know
All that I have is all that made you run away

I could feel you, you were there
And I could hold you, but you're not there
I, I'm gonna wait
I, I'm gonna wait
I'm gonna wait

I just want you to know
I want you to know
All that I have is all that I forgot to say
I want you to know
I want you to know
All that I have is all that made you run away

I, I'm gonna wait
I, I'm gonna wait
I, I'm gonna wait
I, I'm gonna wait

I just want you to know
I want you to know
All that I have is all that I forgot to say
I want you to know
I want you to know
All that I have is all that made you run away

I just want you to know
I want you to know
All that I have is all that I forgot to say

I want you to know
I want you to know
All that I have is all that made you run away
