### "I Wish You Well"

I wish you well  
Couldn't you tell after all these years  
I wish you well  
And life in a world that you're dreaming of  
I wish you well  
I wish you well  
I wish myself all of the above

What made me think  
That I could survive all this wear and tear  
It's not my thing  
To stand here and pose for some William Tell  
I wish you well  
I wish you well  
I wish myself all of the above

If there was a better time I could not find it  
It's mine not yours and yours not mine  
And we couldn't hide it  
Don't take me on the ride with you  
It's a roller-coaster  
The only time I'd look at you  
Is on a rock and roll poster  
I wish you well

Where are you now  
Couldn't you see through the sweat and tears  
I took my bow  
While you confirmed all my saddest fears  
I wish you well  
I wish you well  
I wish myself  
The world I'm dreaming of  
I wish you well  
I wish you well  
I wish myself all of the above
