If Only Tears Could Bring You Back
Performed by Midnight Sons

How will I start?
Tomorrow without you here
Who's heart will guide me?
Lonely answers just disappeared
Is it too late?
Are you too far gone to stay?
Best friends forever
She never has to go away
What will I do?
You know I'm only half without you
How will I make it through?

If only tears could bring you back to me
If only love could find a way
What I would do
What I would give if you return to me
Someday, somehow, some way
If my tears could bring you back to me

I've cried here alone
So if you sail on home again
Waves of emotion will carry you
I know they can
Just let love guide you
And your heart will chart the course
Soon you'll be drifting
Into the arms of your true love
Look in my eyes you'll see
A million tears have gone by
And still they're not dry

If only tears could bring you back to me
If only love could find a way
What I would do
What I would give if you return to me
Someday, somehow, some way
If my tears could bring you back to me

I'll hold you close
And shout the words
I only whispered before
For one more chance
For one last ounce
Inside of me
That I would not of known

If only tears could bring you back to me
If only love could find a way
What I would do
What I would give if you return to me
Someday, somehow, some way
If my tears could bring you back to me
