Is It The Beat?  
Performed by Selena

That sounds cool!

I know you've taken my lead  
Am I so easy to read?  
My eyes must be speaking your name  
My touch must burn like a flame  
I believe that love doesn't come when you plan  
Here I am, caught up in these feelings  
I don't understand

Is it the beat or the beat of your heart?  
Is it the music?  
Is it body talk?  
How did you move me and when did it start?  
Is it the beat or the beat of your heart?

That sounds cool!

Night falls and I seem to change  
Near you I'm acting so strange  
I know we've only just met  
But dreaming has gone to my head  
You and I see nobody else in the place  
Let your smile answer this question  
You read on my face

Is it the beat or the beat of your heart?  
Is it the music?  
Is it body talk?  
How did you move me and when did it start?  
Is it the beat or the beat of your heart?

Sabes que te quiero y sin ti me desespero  
Eres tu mi todo y yo sin ti me muero  
Eres mi alegria en cada despertar  
Y quiero a tu lado, yo poder estar

Is it the beat or the beat of your heart?

Is it the music?  
Is it body talk?  
How did you move me and when did it start?  
Is it the beat or the beat of your heart?

Is it the beat or the beat of your heart?  
Is it the music?  
Is it body talk?  
How did you move me and when did it start?  
Is it the beat or the beat of your heart?

Is it the beat of your heart?  
Is it the beat of your heart?

Is it the music or is it body talk?  
Is it the music or is it body talk?  
Is it the music or is it body talk?  
Is it the music or is it body talk?
