well i dont show off i dont criticize
im just livin by my own feelings
and i wont give in wont compromise
cause i only have a steadfast heart of gold

i dont know why i cant lead though it might be tough
but i aint outta control just livin by my way
dont ask me why i dont need a reason
ive got my way
my own way

ohh it doesnt matter now what happens
i will never give up the fight
long as the voice inside drives me to run and fight
it doesnt matter who is wrong and who is right

well i dont look back i dont need to
time wont wait and ive got so much to do

where do i stop now its all a blur its so unclear
well i dont know but i cant be wrong

it doesnt matter now what happens
i will never give up the fight
long as the voice inside drives me to run and fight
place all your bets on the one you think is right

ohhhhh it doesnt matter now what happens
i will never give up the fight
long as the voice inside drives me to run and fight
it doesnt matter who is wrong and who right

no no no no
it doesnt matter!
