Walking, waiting  
Alone without a care  
Hoping and hating  
Things that I can't bear  
Did you think it's cool to walk right up to take my life  
and fuck it up, well did you?  
Well did you?

I see hell in your eyes  
Taken in by surprise (surprise)  
Touching you makes me feel alive  
Touching you makes me die inside

Walking, waiting  
Alone without a care  
Hoping and hating  
Things that I can't bear  
Did you think it's cool to walk right up to take my life  
and fuck it up, well did you?  
I-hate-you

I see hell in your eyes  
Taken in by surprise (surprise)  
Touching you makes me feel alive (hell in your eyes)  
Touching you makes me die inside

I've slept so long without you  
It's tearing me apart too  
How did it get so far?  
Playing games with this old heart  
I've killed a million petty souls  
But I couldn't kill you  
I've slept so long without you

(touching you makes me die inside)

I see hell in your eyes(touching u makes me die inside)

Taken in by surprise(touching u makes me die inside)  
Touching you makes me feel alive(touching u """)  
Touching you makes me die inside(touching u""")

i see hell in your yes(I see hell in your eyes)  
taken in by surprise.  
Touching you makes me feel alive  
touching you makes me die inside.  
I see hell in your eyes!  
Taken in by surprise...
