Jessie is a friend  
Yeah i know he's been a good friend a mine  
But lately somethins changed it aint hard to define  
Jessies got himself a girl and i wanna make her mine

And shes watchin him with those eyes  
And shes lovin him with that body i just know it  
and hes holdin her in his arms late late at night

You know i wish that i had Jessies giirl  
I wish that i had jessies girl  
Why cant I find a woman like that

I play along with the charade.  
That doesnt seem to be a reason to change  
But i feel so dirty when they start talkin cute  
I wanna tell her that i love her but the  
point is probly moved

(Chorus x2)

Why can't i find a woman  
Why cant i find a woman like that

And i look in the mirror all the time  
wondrin what she dont see in me  
I been funny i been cool with the lines  
Isnt that how loves supposed to be

Tell me!

Why can't i find a woman like that!

You know i wish that i had Jessies girl  
Jessies girl  
I want I want Jessies girl!  
I wish that I had Jessies girl!  
I want i want Jessies girl!
