Just A Touch of Love (Everyday)  
Performed by C&C Music Factory

1-2-3, hit it!

Just a touch of love, just a touch of love  
Just a touch of love, just a touch of love  
Just a touch of love, just a touch of love  
Just a touch of love, just a touch of love

Love has been on my mind for some time now  
But you've been the missing link  
Of all that what's happened  
All the stuff made me  
Think that love is not for keeps

(All I want is your touch)  
So come a little closer  
(What's his memory)  
Open up your heart and let me in  
(Like the bird in the sky)  
Love has got me flying  
(And the stars in the night)  
Beautiful

Just a touch of love, just a touch of love  
Just a touch of love yeah  
Just a touch of love, just a touch of love  
Just a touch of love, just a touch of love  
Ooh just sweet love  
Just a touch of love, just a touch of love

Music will light the fires of romance  
So that must be forever  
You got a friend and a lover  
Someone does discover  
That just a touch of love is all I need

(All I want is your touch)  
So come a little closer  
(What's his memory)

Open up your heart and let me in  
(Like the bird in the sky)  
Love has got me flying  
(And the stars in the night)  
Beautiful

Just a touch of love, just a touch of love!

Just a touch of love, oh yeah  
Give me your love, yeah

(Instrumental Break)

Just a touch of love, just a touch of love!

I love you forever  
I love you forever  
I love you forever yeah

Oh  
I need your love  
I need your love  
I need your love  
I need your love  
Oh yeah  
I need it baby  
I need your love  
Are you gonna give it to me  
Give me just a touch of your love, oh  
Baby, oh yeah  
Uh-huh, yeah  
I will love you forever and ever, yeah  
Oh yeah

I want just a touch of your love  
Not to much  
Just a touch  
Huh  
So what do you say  
Are you gonna give it to me, huh  
Give it to me

All I need is just a touch of your love  
A touch of your love  
Come on  
A touch of your love  
Oh yeah  
All I need is a touch of your love  
All I want is a touch of your love  
Oh  
Give me just a touch

All I need is  
Give me just a touch of love  
Touch
