Whoa...

Whoa...

Whoa...

Whoa...

Listen dance the Kung Fu like Mister Caine was
teaching you

Keep on move it faster and you will be a Kung Fu
master

Check it get up on your feet

Feel the bass line and the beat

Kung Fu dancing all night long like Mister Caine will
turn you on

Everybody was Kung Fu fighting

Those kids were fast as lightning

In fact it was a little bit frightening

But they fought with expert timing

Check it and take control of your body and your soul

Kick your feet up in the air

And sway your hand like you don't care

And taste it- make up your mind and feel the power of
any kind

Let the rhythm into your heart Mister Caine will make
you smart

Everybody was Kung Fu fighting

Those kids were fast as lightning

In fact it was a little bit frightening

But they fought with expert timing

Everybody was Kung Fu fighting

Those kids were fast as lightning

In fact it was a little bit frightening

But they fought with expert timing

Whoa...

Whoa...

Whoa...

Whoa...

Everybody was Kung Fu fighting
Those kids were fast as lightning
In fact it was a little bit frightening
But they fought with expert timing

Everybody was Kung Fu fighting
Those kids were fast as lightning...
