I said,  
Lady L, let your soul be free  
You closed your eyes  
And you wouldn't see, girl  
The only one who could  
Ease your pain was me

As I ride on my horse  
Through the countryside  
I said "come on, Lady L  
Let me give you a ride"

But as I pulled the reigns  
Of my horse  
You pulled the reigns  
Of your soul  
I'm outta control!

Couldn't see through  
A thick cloud of smoke  
You held my heart  
Now it's bloody and broken  
Is your green army jacket  
Keepin' you warm tonight?

Lady L  
La la la la la la la la la la la la la la la la la  
That's the sound of L  
Lady L  
She's my Lady L  
La la la la la la la la la la la-Lady L

We live in a world  
Of teachers and tests  
I take my comfort  
In your silky breast  
And you're the one  
Askin' me what's next

Your yellow eyes  
Are cold as stone

I phoned your heart  
There was nobody home  
What are you gonna do  
When you're all alone?

She's my Lady L  
She's my Lady L  
Sweet Lady L  
Lady L  
Lady L  
Lady L
